

Our message is clear:

We believe there is enough for all to have enough, if we all do our part.

We believe that all sectors of society play a significant role in ending poverty. Government must play a substantial role because only the public sector can operate at a scale to ensure access, equity and opportunity to end poverty. Charitable efforts are best used to ameliorate the pain of emergencies and crises that arise from poverty.

Please view the Minnesota Church Ladies video on YouTube or our website at www.mnwithoutpoverty.org—enjoy it, and please understand the message embedded within the video.

The Minnesota Church Ladies Agree
“There is *Enough* for All to have *Enough*”
